Training and marketing speakers & authors

2/15/07

Dear Ursula,

Thank you for your stellar presentation at The Visionary Business Conference.

You are an excellent and inspiring speaker and you rallied the troops.

The attendees loved your talk and wanted to make sure that we would invite you back again.

Your knowledge of sales is awesome.

Selling with Intention: Learn the principles of selling with intention and boost your sales revenue by 200 percent or more was a hit and perfect for the Conference.
