Dear Ms. Mentjes,

Thank you so much for agreeing to be a presenter at our Unleashing The Diva Within Conference.

Your Keynote "Step into Your Potential" was right on target. You were such an inspiration and a blessing to those that were in attendance. It just would not have been the same without you. Your visualization helped me as well as others put wings to our goals.

It is my hope and desire that you will again grace our conference with your knowledge, and motivational techniques. Thank you so very much for caring enough to share your extraordinary gifts with us.

Sincerely,
