

## **Toastmasters Leadership Institute (TLI) January 2013**

*Dear Ursula,*

*It is my pleasure to endorse you, Ursula Mentjes, as a Best Selling Author, Sales Expert and Inspirational Speaker.*

*It was quite an honor to host Ursula Mentjes as a Keynote Speaker at District 12 Toastmaster Leadership Institute (TLI). This is normally Toastmaster's largest training event of the year with approximately three -four hundred toastmasters in attendance.*

*I have also experienced Ursula's insight and wisdom in numerous events where Ursula was featured as a speaker. I hold her transformational messages in the highest esteem. I sincerely recommend Ursula as a speaker.*

*Ursula has been more than an ideal speaker. She is authentic in her messages. She strives to understand the "audience in the room" and speaks to their needs. She has demonstrated outstanding leadership and maintained a clear sense of purpose when engaging her audience.*

*Ursula's clear goal and purpose is to transform the way her audience thinks about selling and to help them reach their goals with less anxiety and less effort. Her messages definitely demonstrate her expertise as a sales coach!*

*As the Event Chair for District 12 Toastmaster Leadership Institute (TLI) of Toastmasters International, I recommend/endorse Ursula Mentjes as Best Selling Author, Sales Expert and Inspirational Speaker.*
