Dear Ursula:

Thank you for delivering the luncheon keynote at the Orange Chamber's inaugural Women's Life and Leadership Conference, "*Strut Your Stuff!*"

Your keynote presentation was very informative, well presented and receive great scores from our audience. You engaged the audience and made us feel you were working one-on-one with us.

Your personal story is very interesting, starting out on a family farm and your rise to success. What a challenge! The feedback we received from your presentation at our event was outstanding.

I personally enjoyed your presentation and like your approach to finding your one great goal. I also appreciate your assistance in getting the word out about our event through your contacts. We greatly appreciate all you did for us and our 1st Conference.

Thanks again and I hope to work with you again in the near future.

Sincerely,

Heidi Larkin-Reed
